

We are delighted and proud to announce that Incubatees of **BSC BioNEST Bio-Incubator (BBB)** are continuously working towards development of solution to combat **COVID 19 (Coronavirus) pandemic**.

In this regard a mega online challenge "**SAMADHAN**" had been launched by **MIC and AICTE** in collaboration with **Forge and InnovatioCuris** to test the ability of startups to innovate. The participants in this challenge were supposed to design and develop measures that can be made available to the government agencies, health services, hospitals and other services for quick solutions to the Coronavirus pandemic.

One of our Incubatee **InnoDX Solutions Pvt. Ltd** is declared as **2nd winner** in **Track 2 category** for developing a prototype which can be validated and diploid immediately to support the fight against **COVID 19 outbreak**.
