

BSC BioNEST Bio-Incubator is pleased to announce that **our Incubatee company MSM Foods and Beverages Private Limited** has successfully launched India's first authenticated line of beverages that are blended with bio-active mushrooms (cordyceps militaris) under the brand name of **Mushroom Mistri**.

They have been working on bio-active blended mushrooms products for the last 2 years. Cordyceps Militaris has proven health benefits against several **chronic diseases**. The bio-active compound present in cordyceps is cordycepin which has great nutraceutical properties and physiological benefits.

Mushroom Mistri has launched 12 products under 4 categories i.e. Exotic Teas, Soups, Coffee and Summer drinks (Coolers).

The products are as follows:

1. **EXOTIC TEA** -

- Blue Pea Tea
- Hibiscus Tea
- Rose Tea
- Rooibos Tea
- Lemon Grass Tea

2. **SOUPS** -

- Hot & Sour Soups
- Sweet Corn Soups

3. **COFFEE** -

- Instant Vanilla Coffee
- Instant Mocha Coffee

4. **SUMMER DRINKS (COOLERS)** -

- Jeera Masala Banta Mix
- Green Apple
- Mojito Mix

Congratulations to **MSM Foods and Beverages Pvt. Ltd.** and its team for their endeavour
